## BRITISH DIRIGIBLE OVER SEA

R-100 DEPARTS MONTREAL WEDNESDAY EVENING ON RETURN JOURNEY

## HAS 13 PASSENGERS

Commander Expects To Make Quick Crossing of the Atlantic

**BULLETIN**  
S. S. Empress of Australia, Aug. 14.—(P)—By Wireless to the Canadian Press—The dirigible R-100 was sighted at 12:30 P. M. (E. S. T.) today 112 miles east of Belle Isle, approximately 1,077 miles from Montreal. The big airship was riding through a cloudless sky and had the advantage of a slight breeze.

**BULLETIN**  
On Board the Airship, R-100, Aug. 14.—(P)—The ten newspaper men on board the British dirigible today turned to and worked with the crew helping to pump fuel into the tanks in an effort to set a new world's record for the flight across the Atlantic ocean.

**BULLETIN**  
London, Aug. 14.—(P)—The British Air Ministry received its first wireless message from the home-bound R-100 today giving its position at noon, Greenwich Meridian Time, (T. A. M. Eastern Standard Time) as near as Belle Isle. The weather was fine and clear. The R-100 informed the Ministry that she was averaging 50 knots in a wind of ten miles an hour. She was flying at a height of 1,500 feet.

At the time of her report the R-100 was setting a course for Belle Isle over which she was later reported heading out to sea.

Montreal, Que., Aug. 14.—(P)—The British dirigible R-100 wirelessed officials here today that she was heading up through the Straights of Belle Isle to the open sea, abandoning the planned route over Newfoundland. The message gave no reason for the change in plans.

Weather was good, the message said, with no low clouds and good visibility.

The Dirigible had averaged 60 knots since her takeoff from St. Hubert last night, flying most of the time at an altitude between 1,000 and 1,500 feet.

In going through Belle Isle she passed over Greenly Island, where Fitzmaurice, Koehl and Hunsfeld ended the first airplane crossing of the North Atlantic in their plane Bremen two years ago last March.

St. Hubert Airport, Montreal, Aug. 14.—(P)—The British dirigible R-100, was making fast time today on an eastward crossing of the Atlantic toward its home station at Cardington, England.

With one of its powerful motors out of commission, the largest lighter-than-air liner in the world cast off from the mooring tower here at

## LAVISH PUBLIC WEDDING

### The Bride

Miss Rozella Crevier, 269 North Schuyler Ave., Kankakee

### BIG SPECIAL ATTRACTION AT THE FAIR

YOUNG AND POPULAR COUPLE OF KANKAKEE WILL WED TOMORROW EVE.

### BEFORE GRANDSTAND

Kankakee Merchants Have Supplied Many Beautiful Gifts For Fortunate Couple

Arrangements have been completed for the gorgeous wedding ceremony, public and perfectly legal, at the Kankakee Inter-State Fair tomorrow (Friday) evening at 9:00 o'clock, in which a young and popular Kankakee couple will be united in matrimony.

The bride is Miss Rozella Crevier, 269 North Schuyler avenue, and her choice is Adolore Beaupre, 209 North Eighth avenue. The ceremony will be performed by a dignitary duly authorized by law to tie the matrimonial knot, whose name will be announced just before the ceremony.

The ceremony will be performed within a special setting, erected on the big platform opposite the grandstand, to the full view of the thousands of people who are expected to attend. The setting will be gorgeously lighted with varied colored streams of light, playing on the impressive scene, while special music will be played by an orchestra of twenty-five pieces.

Miss La Mae Fowler, late prima donna of the well known Broadway revue, "Artists and Models," will sing the specially written theme song during the ceremony.

Among the bridesmaids who will attend the bride are the following well known Kankakee girls: Alice Rehmer, Agnes Pakulski, Caroline Smith, Frances Beland, Jaunita Vickery, Marion Cox, Mable Berwick, Anna Nieldhold, Arvilla Greenwood, Mathilda Wild, Los Dufraim, Mat Stotly, Mildred Sheffer, Alice Hall and Edna Runch.

All of these girls will be attired in beautiful costumes, made by Lester, Ltd., of Chicago. The best man will be Albert "Jimmy" Hale, also of Kankakee.

Monday evening in the parish house of St. Patrick's church, Miss Rehmer, one of the attendants, and Mr. Hale, the best man, were united in marriage by Rev. Fr. McNally. Mr. Beaupre, the groom for the wedding tomorrow evening, and Miss Crevier, the bride, were the attendants for this couple. Tomorrow evening, Mr. and Mrs. Hale will be attendants for the public wedding.

There is no question that there will be several hundred beautiful and useful gifts for the young couple as many local merchants contributing are: Volkmann's jewelry store, Plant-Kerger store, Richards store, Lassers furniture store, the Maxine Shoppe, Samuel's store, Chouinard bakery, Lucille Shoppe, Powell Studio, the People's Clothing company, Kankakee Book and Furniture store, and many others to be announced later.

It is emphasized by the Fair Association that this public wedding is an extra added attraction, given in addition to the regular program. The remainder of the program, including Thaviu's productions and the attractions on the stage and in the race track, will be presented as usual.

There will be no burlesque or comedy accompanying this ceremony and the wedding will be just as reverent and binding as though it occurred in a church or home. When the words, "I now pronounce you man and wife" are said, the young couple will be legally and lawfully as one.

**TELEPHONE 5101 FOR GRAND STAND**  
Persons desiring grand stand tickets for the Inter-State Fair can make their reservations by telephoning No. 5101.

## JAMES HAMILTON LEWIS TO VISIT THE BIG KANKAKEE FAIR TOMORROW AFTERNOON

DEMOCRATIC NOMINEE FOR UNITED STATES SENATOR WILL BE FORMALLY RECEIVED BY SPECIAL COMMITTEE; GORGEOUS PUBLIC LEGAL WEDDING FRIDAY EVENING; AUTO RACES AND CARNIVAL DAY SATURDAY.

Hon. James Hamilton Lewis of Chicago, Democratic nominee for United States Senator, will visit the Kankakee Inter-State Fair tomorrow (Friday) afternoon. He will be formally received upon his arrival in Kankakee by a special committee headed by Capt. James T. Burns, Democratic State Representative from this district.

Tomorrow is Homecoming Day at the Kankakee Inter-State Fair and it is expected that all former residents of Kankakee now living in other cities and towns of the middle west, as well as many friends and relatives of folks now residing in this city, will make tomorrow a big holiday by coming to Kankakee to enjoy the special events that have been prepared for the occasion.

A crowd fully as large as those for Tuesday, Illinois Day; and Wednesday, Kankakee Day; is anticipated, and the attendance on those two days were actually record-breaking in size in the seventy-four year development of the Fair. Homecoming Day will bring many people to Kankakee, will make hundreds of new friends for the Kankakee Inter-State Fair, and will renew the ties of many old friendships.

**Also Chicago Day**  
Tomorrow is also Chicago Day, set aside by the Kankakee Fair Association in appreciation and recognition of the large attendance of Chicagoans in former years.

An entertainment program, the magnitude of which has never been attempted by an out-of-door exposition of this kind, has been arranged for Chicago Day. The great Thaviu—himself a native Chicagoan—and his Silver Jubilee Production with a company of fifty artists, will head the entertainment list with his unique musical frolic, "A Cycle of Hits." This presentation is made up of popular airs and melodies gathered from classical music, standard and light opera, southern lullabys, Civil and World War songs, and the modern "hot" music.

**Auto Races Coming.**  
Saturday will be Auto Race Day at the Fair, when many skillful and daring dirt track racers will pilot their fast little specially built automobiles in the Suicide Race around the fairgrounds track. A thrill a minute is guaranteed in these events.

Hardly an auto race is held on a half mile dirt track but what there is an accident, in which the fast cars are piled up, one upon the other. The speed, recklessness and daring of these dare-devil speed artists is thrilling to behold. It requires real skill and nerve to pilot a racing car around a half mile dirt track at a speed of seventy to eighty miles an hour—far more skill and nerve than is required for the large speedways of the big time.

All this will be at the Fair, Saturday, starting with the time trials at 1:30 o'clock in the afternoon, and closing with the grand finale, "The Kankakee Derby." Don't forget to enjoy a thrill a minute on Saturday afternoon.

**Carnival Night.**  
Saturday night will be "Carnival Night" at the Fair, that annual

**PUBLICITY FOR KANKAKEE BRINGS MANY INQUIRIES**

Since the past of pictures showing scenic spots in and around Kankakee appeared in the August 3 issue of the Chicago newspaper, the Chamber of Commerce office has been virtually flooded with requests for additional information, and the city paid many complaints for securing such publicity of the city and county.

Many of the business men, particularly the oil station proprietors, and the Chamber of Commerce have stated that a considerable influx of traffic from the Chicago area has been noticed since the issue of the paper was published. The Chamber of Commerce has advised that they would be surprised to know the number of Chicago families who have been attracted to the city since the Chicago Sunday papers suggested the tour, which is the one of the most interesting of the city.

**BOMBER BLASTS TEXAS BANK**

The interior of the Stockyards National Bank, Fort Worth, Texas, after a bomb blast, was in a state of confusion. The explosion, which occurred at 10:10 a. m., was the result of a bomb placed in the bank by a person who had been visiting the bank for some time. The bomb was placed in a room where the bank's cash was kept. The explosion caused considerable damage to the building and the contents of the room. The bank was closed for several days after the explosion.

## SPEED KINGS WILL COMPETE ON SATURDAY

BETWEEN 15 AND 20 ENTRIES  
RECEIVED TO DATE FOR  
AUTO RACES  
AT THE FAIRGROUNDS

15-Mile Kankakee Motor Derby  
Will Conclude Afternoon's  
Racing Program

A field of between 15 and 20 of the most daring dirt track race kings in the mid-west will answer the starters flag on Saturday, August 16, the last day of the Inter-State Fair. Entries are arriving with each mail at the headquarters of the Tri-State Racing association who are cooperating with the Fair association in the staging of six big thrilling events.

The untimely death of Bob Whallon, president of the National Automobile Racing association at Sterling, Ill., last Sunday will necessitate that this organization send to Kankakee its vice president, H. Heidenreich and treasurer, G. H. Wassnes. These gentlemen will cooperate with the promoters and Fair association in arranging the program and in the observance of safety rules on the fair grounds at the track and in the pits.

The entry list will close at noon Saturday and is planned to start time trials at 1:30 p. m. The mile Suicide race with 6 drivers will follow the time trials and the 15 mile Kankakee Motor Derby will close the speed program.

The three state dirt track supremacy will in all probability be settled at Kankakee Saturday when Wilson Pingree of Cedar Rapids, Ia., Dutch Bowman of Indianapolis, Indiana, and Billy Howe of St. Louis, Mo., are assigned positions in the 15 mile race. However, they will have plenty of fast competition in Bud Holvey of Springfield, Ill., Johnny Sawyer of Milwaukee, Johnny Gerber of Kansas City, Curly Young of Chicago, Art Penno of Rock Island, Howdy Wilcox of Indianapolis, Ind., and H. Clark of Milan, Ill. It will be a hard job to pick the winner from the above-named pilots and the proverbial dark horse may get the checkered flag, liberal purses and special prizes will attract the cream of pilots.

## CLIFTON

Mr. and Mrs. Frank Johnson and Mrs. E. W. Vincent returned Tuesday from a few days visit in Kenosha, Wisconsin with Mrs. Orin McPadden and family. Mrs. McPadden and Jimmie and Beverly McPadden accompanied them to Clifton for a week's visit.

Mr. and Mrs. Elmer S. Jack, and little daughter of Dyer, Indiana spent the week end with Mrs. Jack's parents Mr. and Mrs. J. J. Schraeder. John and Robert Harris of Champlain, are spending the week with their aunt Miss Belle Hobson.

Mr. and Mrs. John Gravelle and daughter Marie returned Tuesday from Hale Center, Texas where they had spent two months with relatives. They report that their son Clarence Gravelle who had his foot amputated has recovered from the accident very well.

Mr. H. J. Monroe was taken to the St. Mary's hospital in Kankakee, Tuesday as he was suffering from blood poisoning caused by a sore on his hand.

Monday afternoon a number of people narrowly escaped death or serious injury and two cars were wrecked so badly as to be worthless in an auto accident on route 25 south of town. Alvin Christensen was towing a Buick sedan to the Christensen Bros. garage when a Buick coupe crashed into the Buick that was being towed in. The occupants of the sedan were mostly hurt and no one was seriously hurt although they were bruised and a baby received a bad cut on the head. The two men in the coupe tried to run away and one of them did run into a corn field and no trace of him could be found but the other man who was the driver was brought to town and put in jail to sober off. The next day he was taken to Watseka and it is reported that he was fined one hundred dollars and given a sentence of thirty days in jail.

Mr. John Remillard is acting as a policeman at the fair grounds in Kankakee this week.

E. W. Vincent returned Tuesday from Farina, Ill., where he had spent several days with his parents.

M. and Mrs. Enry Lauridsen and children and Victor Lauridsen of Chicago Albert Lauridsen of Monticello, Wisconsin and Mr. and Mrs. E. W. Lauridsen of Louisville, Kentucky spent the week end at the home of Mr. and Mrs. Ole Lauridsen.

Ancient Royal Abode Windsor castle, home of English royalty, is the oldest building in the world that has been permanently inhabited by kings.

Screen Test Then there is the absent-minded professor who started to put up his screen and found out he didn't take them down last fall.

## See This Display At The Fair

This picture shows the Majestic Radio that was used by the Hunter Brothers in their record breaking endurance flight in Chicago. It will be of interest to know that the Kankakee Piano and Music Store has this radio on display just as it actually came out of their plane. Everyone is cordially invited to come and inspect this unusual display.

## GLORIOUS DAYS EXPECTED FOR Y. BOY'S CAMP

A days order at Camp Seymour runs something like this: Monday, instruction; afternoon, recreation; evening, fellowship. This is the sort of program that the Kankakee eight will take part in during their ten-day stay at Seymour for the Older Boys Leadership Training Period. The mornings will be spent in discussion groups, instruction periods, and group meetings, where older boy problems will be thought out, and youthful ideas compared. These meetings will be led by such famous "Y" leaders as Lief R. Larson, Joe Hauter, known as "Uncle Joe," and C. W. Blakey. One of the big pieces of work that will be done at Seymour will be the organizing of Hi-Y Clubs into District Hi-Y Councils throughout the state. Each district would then have representation in an state older boys cabinet, which is indeed a step in the closer affiliation of Hi-Y work.

The afternoons will be for recreation, fun, and development. There are five tennis courts at Seymour, the William J. Alexander field beckons to those who are lovers of baseball, swimming, of course, and a fleet of boats available for action. There also will be hiking, bird and nature study, and every attraction of the great outdoors. Hobbies, do you like them? Hobbies are encouraged at Seymour.

Then those glorious evenings in the council ring, with your "feet before the fire." It is at these times that a leader really begins to know his boys, it is at one of these periods that a boy resolves to lead the clean life. The fellowship of the evening camp-fire will be a memory that will last forever. Then taps and sleep—large airy cabins—sixteen of them—to which are assigned eight boys and an older leader. What a life this will be. What growth will be noticed both spiritually and mentally. Richard Ennis, Joseph Spielberger, Dorman Poyer, Frederick Rueckert, Edward Johnson, Joseph Green, Kenneth Edwards, and Harlight B. Trecker of the Y. M. C. A., will all have the privilege of all of these things.

The boys leave Tuesday, August 19, from the Y. M. C. A. building.

Giant Elephant The largest elephant on record was Jumbo, an elephant in the Barnum and Bailey circus, which was 11 feet 8 inches in height and weighed 4 tons. The average weight of an elephant is 4 tons.

## UP AND DOWN THE MIDWAY

By "HOT DOG"  
We sent the two youngsters over to get some frozen dessert while we went into the show called "The Unborn." We never thought they preached sermons on a midway, but this "Unborn" affair teaches one of the greatest lessons that can be learned. Don't miss it.

And the midgits! Ten little people, all perfectly formed and with more than average intelligence. If Old Hot Dog doesn't make a mistake the midgit theatre will be the mecca for all the women and kids in Kankakee before the week is over.

The merry-go-round seems to be as popular as ever. Mrs. Hot Dog gazed long and lovingly at the dear old "Flying Jennie"—then looked up at me and said: "Hominy, dear, doesn't that dear merry-go-round remind you of the first time you ever spent on me?"

The sword swallower in the Coney Island side show turned to the tattooed boy, and pointing to the fire eater said: "Ain't it funny what some people will do for a living?"

The silver haired gentleman who induces one to fork over the cash and buy tickets to the midgit theatre is a barker who doesn't "bark." He is evidently one of the new school—one who has kept abreast of the times, and is a whole attraction in himself. He looks like one of those millionaire real estate operators during the Florida boom. He was educated at the University of Mississippi at Oxford. Seeking a career he visited St. Louis during the world's fair, became acquainted with some of the show folks, and one night, on a dare, made what is in show parlance, "an opening"—otherwise a spiel. He was such a success that he was offered a permanent job—and has been "barking" ever since. For several years he has been handling the front of the midgit show for Mrs. Ritter, whose family of tiny folks has for years been a big feature of the Rubin and Cherry shows. During the winter Mr. Kimmerer manages the fashionable Roman Pools—the deluxe bathing place at Miami Beach, Fla.

The chap who makes believe he is lost in the "Bug House" is a silent clown of the Charley Chaplin variety. His funny actions while bumping into the mirrors place him at the top run of pantomimic comedians. Be sure and look out for him when you pass the Bug House.

Sammy Berk's Orchestra will be at Monice auditorium Saturday evening, August 16.

## BURIED ALIVE FOR 7 HOURS; YET HE LIVES

An attraction entirely different than any that has ever appeared in Kankakee is to be found at the Kankakee Inter-State Fair, now in the height of its activity. This attraction is Hamid Bey, famous Egyptian mystic and scientist, who demonstrates his remarkable powers and abilities in a tent theatre among the Rubin and Cherry Shows on the Midway.

Bey is not a magician, in fact he knows nothing of the sleight of hand arts. He is a member of the ancient Coptic cult, devotees of which make themselves insensible to pain and who can control their bodies at will. In fact, Hamid Bey apparently has the power to cause his own death, then to revive himself when ever he likes.

He is a genuine hypnotist and even causes chickens and rabbits to succumb to his uncanny powers. After a series of preliminary demonstrations, he permits himself to go into a cataleptic state, his body becomes perfectly rigid, and then he is lowered into a glass box, which is hermetically sealed.

This in turn is lowered into another glass box filled with water—and for twenty minutes Bey sleeps peacefully while a dancing and singing revue is staged by a number of pretty girls accompanying the show.

After the awakening, daggers and long needles are thrust into and through his flesh, without bloodshed. Then he mingles freely with the crowd, proving everything to be absolutely on the level.

Bey has created a sensation in every city which he has visited, and Kankakee is no exception. He is a big feature of the many attractions now to be seen at the Kankakee Inter-State Fair. Don't miss seeing him!

We think we're a smart people, but it took half a century for salesmen to learn not to ask the woman customer what size shoe—Toledo Blade.

Too Much Trouble It is doubtful whether Pharaoh's daughter would have rescued the small Moses from the bulrushes if he had been a cry baby.—Country Home.

## FINALS COMING IN KANKAKEE Y TENNIS TOURNAY

And still the wheels of the Y. M. C. A. tennis tournament keep moving, with clock-like precision. The tournaments for both singles and doubles are progressing nicely, and in all probability, there will soon be some final games on schedule.

In recently played singles matches, Ed Strasma advanced another notch into the quarter finals, by defeating O. L. Agnew by the score of 6-4 and 6-1. The match was close at the start, but Strasma finally drew into the lead and stayed there. Joe Bergerer eliminated Leo Lund in two straight sets, as did Harold Wilken over Leo Marcotte. Harlight Trecker went into the quarter finals by eliminating Howard Shine in straight sets by the scores of 6-3 and 6-1. Trecker had little trouble in winning from his opponent, and now faces "Red" Wilken in his next match, which is called for Friday evening at Alpiners.

The doubles tournament is also going right along, with one finalist team already decided, and the other one in the making. Changnon and Wilken eliminated Price and Rice, and then tackled Leo Changnon and Joe Bergerer. This match was so

## "We Prefer Gallagher Graduates"

The Employment Manager of a large business organization recently wrote:

"Many Gallagher graduates find employment in the various departments of our firm. We find that they invariably stand out as leaders among our employees."

"Not only are they thoroughly trained, but they know how to accept responsibility. A number of our secretaries and junior executives are Gallagher graduates."

### POSITIONS FOR GRADUATES

Every Gallagher graduate is assisted in securing profitable business employment. The leading business firms in Kankakee and surrounding cities regularly employ them. Our employment service is rendered free to both graduate and employer alike.

College grade course in Accounting and Secretarial Science. Shorter courses in shorthand, typewriting, and bookkeeping.

Fall term begins September 2. Students are registering now. Catalog free.
